This is a luxury 3 bedroom penthouse apartment in Monaco sleeping up to 6 guests. Furnished to a high standard and enjoying exceptional views of the harbour and coastline, it's a stunning base for any stay in this area.

Inside, the property boasts 3 good sized bedrooms, one with ensuite bathroom and all with plenty of wardrobe space. Two have double beds whilst the third is a twin room. Two of these bedrooms also have retractable roofs, literally allowing guests to sleep under the stars at night. All the bedrooms also have bedside tables and reading lamps. There is also a family bathroom and cloakroom. The family bathroom has a bath with overhead shower, toilet and sink. The property also boasts a spacious open plan living and dining area with sumptuous cream Italian leather sofa and pony skin lounger. Cow hide rugs cover the tiled floor creating a warm and inviting space. It's also a relaxing, comfortable space, perfect for those looking for some nights in with friends and family. For movie lovers, there is a TV with SKY as well as a DVD player. This area also has a large dining table with seats for 6. A well equipped kitchen provides food lovers everything they could need to prepare meals including a large American style fridge / freezer with ice machine and cold filtered water, an electric hob, grill, oven, microwave, dishwasher and washing machine. There is also a Bosch Tassimo coffee machine. The property is air conditioned throughout. Much of it has an 'African' theme, from the black and white double bedroom reminiscent of zebra stripes to the large giraffe and tiger prints that adorn the living room walls. Outside, there are 3 balconies in total. The first is a balcony leading from the living area with romantic love seat as well as a more formal table and chairs. This area enjoys stunning views towards the coast. To the rear of the apartment is another balcony. A metal spiral staircase then leads from here to a large roof terrace with loungers and seating. The private roof terrace is an incredible space... such a relaxing area set up with comfortable sun loungers with thick cushions and a neck support for comfort. Large towels are also provided for use here. There are also plenty of umbrellas and even an outdoor shower in case you need to cool down. A large dining table seating 6 set under a huge umbrella with stunning sea views is the most fantastic place for al fresco dining! Just light the BBQ and have drinks on the barstools, admiring the coastline as far as Italy, see the cruise liners come and go and relax! Switch on the terrace lights when it goes dark and you have a truly magical place. Due to the location of the property, there is no need to bring a car however there is free, secure car parking available if needed. For those who don't want to bring a car but prefer not to be on foot, the number 12 bus stops outside the apartment and can take you all around Beausoleil and Monaco. At Casino Square you can then change buses if you need to reach the airport, Menton, Nice or other nearby popular destinations. And, of course, the train will also take you right along this beautiful coastline.
