This is a lovely 2 bedroom Lake Maggiore apartment situated in the hillside village of Campagnano and sleeping up to 6 guests. It has the most incredible lake views which can be enjoyed from both the apartment, terrace and garden.

As you enter this Lake Maggiore apartment, there is a long tiled hallway. At one end of this, there is a small balcony with lake views. Leading off the hallway is good sized living area. This is a bright airy room with lake views from 2 windows. Furnished in blue and white 'nautical' colours, it has plenty of comfortable sofas and chairs as well as a table seating four. Next to the living area is a large, well equipped modern kitchen with stainless steel oven and hob, dishwasher and washing machine. There is a table in the middle of the room seating six. There are 2 bedrooms in this Lake Maggiore apartment, both with double beds and both with views of the lake. The smaller of the bedrooms has doors leading out on to a terrace overlooking the lake. There is one brand new bathroom at the property which has both a bath and shower, sink, bidet and toilet. There is another bathroom with shower, sink and toilet. This Lake Maggiore apartment is lovely, bright and airy throughout. Outside, as well as the terrace from where you can enjoy the lake views, there is also a garden that is shared with 1 other adjacent apartment. The garden is set into the hillside and so enjoys magnificent lake views.

This Lake Maggiore apartment is situated in the heart of the traditional village of Campagnano. It's an absolutely charming village. However, please note that the streets of the old town of Campagnano are too narrow to allow cars access to this Lake Maggiore apartment. However, there is a free public car park just 200 metres from the apartment. Please note that the streets from the parking area to the property are uneven and cobbled so may be unsuitable for the elderly or infirm. The property is a 12 minute drive from the lakeside. CIR code 012142-CIM-00020

Useful to Know

Campagnano is a very traditional village. With streets too narrow to allow vehicle access, it almost feels like stepping back in time when staying at this Lake Maggiore apartment. This is what we love about the property and its location but, being a 10-15 minute drive down to the lakeside along windy hillside roads, the location isn't for everyone. However, if you don't mind the drive, you won't find a property with more spectacular lake views than this apartment! The views will literally take your breath away.
