### Useful to Know

We think that this is a really spectacular conversion of a historic villa into 3 beautiful, contemporary lakeside Italian Lakes apartments. A stay here is highly recommended, particularly if you're lucky enough to have your own boat to use during your stay. There is no better way to explore the lakeside towns and villages than by mooring up at each town or village! As an added bonus, guests are also welcome to use facilities at the Hotel Camin in Colmegna which is a short drive away. Here there is a sauna, jacuzzi and private beach area with parasols and sun loungers. Each apartment has an allocated parking space but access to the apartment is tricky because of the curved driveway. We therefore recommend bringing a small vehicle that will be easy to manoeuvre.
