This is an absolutely stunning luxury apartment situated on Lake Maggiore in the Italian Lakes. Just a few minutes drive from the lakeside, the apartment has been furnished to an extremely high standard, providing luxurious accommodation.

Inside, the property has 2 double bedrooms, 2 bathrooms, a kitchen and open plan living and dining area. Guests enter the property from the terrace which enjoys stunning lake views. This terrace is equipped with contemporary sofas and chairs with a table for al fresco dining. The views from the terrace are just incredible. Guests can view 180 degree views of Lake Maggiore. Once inside, guests will find themselves in the open plan living and dining area. This is immaculately furnished to an incredibly high standard, using BoConcept furniture. There is also a Blue Ray DVD player, sound system and flat screen TV. A cupboard provides storage for any coats. There is a beautiful wooden dining table with chairs for 6 which is arranged alongside a stunning feature fireplace, perfect for those staying during the Winter months. The kitchen is at the front of the property, adjacent to the living area and with a door leading directly to the terrace. This is a beautiful room, with polished stone worktops and top of the range appliances. Another door leads off the living area to a large utility room with washing machine and dryer. Both bedrooms in the property are beautifully furnished and provide a luxurious place to retire to each evening. There are 2 bathrooms, one with bath tub and the other with shower. Unfortunately, due to the height of the terrace railings, the property is not suitable for young children.

The property was completely renovated a year ago to an exceptionally high standard. There is an apartment above this property however, the apartment was fully sound proofed and insulated during the renovations so guests should hear minimal noise from the other properties. There are just 4 apartments in the building in total so the location is peaceful and quiet.
