This is a charming one bedroom Lake Lugano holiday rental positioned right on the lakeside in the pretty village of San Mamete, a lovely spot to enjoy a holiday on Lake Lugano.

This Lake Lugano holiday rental is on the ground floor of the building. The property enjoys amazing 180 degree views of Lake Lugano and the surrounding area from every single room. Because of the large windows making the most of the views, it is a lovely bright and light apartment. It has a fully equipped kitchen, double bedroom, bathroom and open plan living and dining area. The living area has a sofa bed allowing the property to sleep up to 3 guests. This room is also equipped with A/C. Doors lead from the living room to a generous private balcony. This is furnished with a table and chairs. There is also space here for a couple of sun loungers for lazy days in the sun. It really is the perfect spot for an aperitif or to enjoy a romantic meal taking in the beauty of the lake waters and surrounding mountains. This is the largest balcony of any of the Lake Lugano apartments in this beautiful villa. This Lake Lugano holiday rental is within an easy 5 minute walk of the ferry boat landing. The property also has satellite TV, a DVD player and DVD library and music system. There is no parking on site but guests have the option of paying the local cafe owner to park at his cafe for the duration of their stay. Or we can show you other places where you can leave your car on arrival.

This Lake Lugano holiday rental is less than a minutes walk from the centre of San Mamete where there are a choice of restaurants, cafes etc. It is also located about 5 minutes from the Swiss border and is a really convenient position for those who plan to do some sightseeing during their stay. It's also just an hour from Milan and 15 minutes from the affluent Swiss town of Lugano where there are a number of designer clothing stores and a famous casino. Just 30 minutes by car, you can be on the shores of Lake Como and the popular lakeside town of Menaggio.

Useful to Know

San Mamete is a charming and authentic lakeside village. The property may not have parking on site but this downside is more than made up for by the fact that you can walk to restaurants and shops. The lake views from the apartment are incredible and we think that the local property manager, Roxana, does an amazing job in taking care of guests during their stay.
