This Solcio di Lesa apartment is ideally located for those looking to explore Lake Maggiore without needing to hire a car. It enjoys wonderful views of the lake and nearby harbour from the large feature window in the living area and can comfortably sleep up to 4 guests in 2 bedrooms.

As guests enter the apartment, they come into a bright and airy open plan living, dining and kitchen area. There is a dining table seating four and a small but well equipped kitchen with breakfast bar. There is plenty of comfortable seating too with two sofas arranged around a coffee table. A TV is mounted on a desk which is positioned to make the most of the incredible lake views from a large feature window. It's the perfect place to get a spot of work done or to enjoy your morning breakfast. Although the views of the nearby lakeside and harbour are definitely a distraction. Moving through the apartment, there is a spacious double bedroom. This boasts plenty of storage space in floor to ceiling wardrobes which run along one wall. An adjacent bathroom is modern and is equipped with a large shower, sink and WC. Another room sits to the rear of the apartment. This can be used as either a study or a second bedroom. It is furnished with desk and a single bed with pull out bed underneath. A terrace leads off this room. This has been equipped with outdoor dining table and chairs. And there is a small BBQ for al fresco dining. It enjoys views of the village of Lesa.

The apartment is perfectly positioned close to the lakeside. It is within walking distance of a number of cafes, bars and restaurants. Water sports hire is also close by and can be reached on foot. Guests can certainly stay here comfortably without the need to hire a car, particularly as it is possible to get from Milan Malpensa airport by bus using the Alibus network.
