With a private pool and extensive, well kept gardens, it's an idyllic setting for a holiday with family or friends in this part of Italy.

As you enter this luxury Italian Lakes villa on Lake Maggiore, you come into a welcoming living area, equipped with comfortable sofas and chairs. There is a TV system with satellite channels, as well as plenty of books to read and enjoy. Doors lead through to a dining room with large wooden dining table. Doors lead through from here to a light and airy kitchen. There is also a bathroom on this floor with toilet and sink. A flight of stairs leads to the main bedroom area. There are 2 bedrooms on the first floor. The first is the master bedroom which enjoys views over the nearby village. This room has an ensuite bathroom with large corner bath and 'his and her' sinks. The second bedroom on this floor is also a double room. With built in wardrobes on each side of the bed, there is ample storage for guests clothes and cases. Doors lead from this bedroom to a lovely balcony area. There is also an office on this floor. The desk is positioned to make the most of the dramatic lake views which is certainly a pleasant distraction from work! At the end of the landing on this floor doors open out to a balcony area overlooking the pool and gardens and beyond to the beautiful Monte Rosa and stunning lake waters. Up a second flight of stairs in this luxury Italian Lakes villa on Lake Maggiore, guests will find 2 more bedrooms. One is a suite with double bed as well as a separate living area. The other is a double bedroom. Please note that these rooms are built into the eaves of the property but there is plenty of ceiling height for even taller visitors. There is also a bathroom on this floor, again with corner bath and with a separate shower. In the basement of the property is a laundry room with both washing machine and tumble dryer, ideal for those enjoying a longer stay at the property. There is a separate dependence just a few steps from the main building at this luxury Italian Lakes villa on Lake Maggiore. This has it's own large living area. Doors from the living area lead off to 2 bedrooms (one with double bed and one with single bed), a bathroom with corner bath and small kitchen. It's an ideal arrangement for those staying with extended family, or with friends, allowing different groups to enjoy privacy whilst still holidaying as part of a larger group. The outside areas of the property are extensive measuring nearly 40,000 square metres. Gardens surround the property and are set over at least 5 levels. Paths have been created so that guests can wander around the gardens at their leisure to enjoy and admire the wonderful plants, flowers and shrubs. The pool (12 m x 6m with a depth of 1.80 metres) is heated using solar panels and is set in front of the house, making the most of the spectacular views at this luxury Italian Lakes villa on Lake Maggiore. There are plenty of loungers for lazy days in the sun. There is also a superb covered terrace, equipped with BBQ, perfect for al fresco dining. This has again been positioned to make the most of the panoramic views. The gardens are full of mature trees and shrubs providing welcome shade in the hot Summer months. The hydrangeas are stunning when in bloom and there are rows upon rows of scented laurels. The entire garden is fenced, ensuring absolute privacy for guests. There is a full time gardener tending the gardens at this luxury Italian Lakes villa on Lake Maggiore. He will also maintain the pool daily, and ensure that loungers and towels are laid out for guests by the pool each day. A housekeeping service is also provided with a maid service of 2-3 hours approximately 2 or 3 times a week.
