The aptly named Villa Piemonte is a large villa in Piedmont that can sleep up to 26 guests in 10 bedrooms. It's a super family friendly villa with plenty to keep all ages entertained. It's also the perfect location to explore the very best that Piedmont has to offer.

Inside Villa Piemonte, the accommodation is laid out over three floors. On the ground floor is a spacious kitchen and living area. The kitchen is well equipped with hob, oven, dishwasher, coffee machine, microwave and more. And of course, there is plenty of tableware and cutlery for up to 26 guests. A large dining table can comfortably seat everyone. There are also three bedrooms on this floor, each with ensuite bathrooms with showers. The smallest of the ground floor bedrooms is furnished with a large double bed. The other two bedroom suites on this floor have a double bed as well as additional sleeping capacity in the form of either 1 or 2 double sofa beds. And finally on the ground there, there is an additional WC here too. Stairs lead to the first floor. Here there are seven further bedrooms, all with ensuite bathrooms. Six of these are furnished with double beds whilst the seventh has a double bed as well as two single beds so that it can sleep 4 people in total. Please note that this room is situated in the loft area and has sloped ceilings. Five of the ensuite bathrooms are equipped with showers. The remaining two bathrooms on this floor have bath tubs, ideal for those with younger children. A separate annex is home to a laundry room with both washing machine and dryer. Outside, the villa enjoys sweeping views over the surrounding hills and mountains. There is a large private pool for you to enjoy measuring 5 x 10 metres and with a depth of 1.5 metres. There is plenty to keep younger ones (and the young at heart) entertained! This includes a children's play area with wooden play equipment, a table football table, table tennis and bocce court. And for those that enjoy dining al fresco, there is a BBQ and pizza oven. There are so many ways in which you can choose to spend your day in this region, whether that's sightseeing, shopping, visiting the nearby wineries or simply exploring the beautiful countryside. However you spend your time though, you can be assured that whenever you return to the villa, you will enjoy a perfect ending to another day in beautiful Piedmont.
