This is a luxury Lake Garda villa with private swimming pool situated on Lake Garda in the Italian Lakes. This 4 bedroom Lake Garda villa is in a peaceful location, surrounded by green hills and overlooking the lake, however it's also well positioned for those who wish to enjoy some sightseeing during their stay.

This is an elegant holiday residence. The property has been completely renovated but the owners have retained and respected its historical roots, whilst at the same time offering guests all the amenities and services of a modern structure. Inside there is a living and dining area. This is an elegant space with original Venetian floors and historical fireplaces. There is also a piano and a billiard room and a well equipped kitchen. Both the living rooms and the kitchen enjoy breathtaking views of Monte Baldo and the southern part of Lake Garda. Upstairs, this Lake Garda villa has 4 double bedrooms, all recently renovated. These have been furnished and styled by a famous Italian interior designer. Each bedroom is equipped with TV and private bathroom. Two of the bedrooms enjoy a private terrace area and lake views. Outside, guests can relax in the heated jacuzzi or in the above ground swimming-pool. The outside space enjoys spectacular lake views and it will certainly be hard to tear yourself away from this idyllic spot to visit any of the surrounding area! A large table has been set up under the shade of a large parasol, providing the perfect spot for breakfast, lunch or dinner. A BBQ is available for those who enjoy al fresco dining.

The property is located in an ideal position for those who do want to enjoy some sightseeing during their stay, within a few kilometres of the Gardone Riviera. The latter is host to the Vittoriale degli italiani, the historic home and museum of the poet and writer Gabriele D'Annunzio. Its outdoor theatre offers a rich programme of performances during the summer season. Also nearby is Brescia, which offers many artistic and cultural events throughout the year. Every year the Santa Giulia Museum has interesting exhibitions, and in May each year the Mille Miglia, a historic race for vintage cars, takes place. Verona, the city famous for its lovers Romeo and Juliet, is also on this Eastern side of the lake. For sports lovers, there is the golf course Bogliaco nearby whilst, for those who love sailing and boats, there is the sailing centre of Gargnano, famous for the Centomiglia boat race. It's also the perfect environment for nature lovers. The nearby woods are perfect for long walks and picnics, the mountain is ideal for trekking and climbing and the hills trails are suitable for horse riding or mountain biking. For the more adventurous, there are even opportunities to enjoy paragliding and hang gliding from the hills or wind and kite surfing on the nearby shores of the lake.
