This charming Ceglie Messapica villa consists of a Puglia trullo with adjacent 'cummersa' and 'lamia.' It is typical of the historic rural buildings of Puglia. It has been fully restored and in parts has been painted with red lime on the outside as it would have been historically.

Inside this Ceglie Messapica villa, there is an open plan kitchenette, dining and living area. The kitchen is small and simple but is equipped with 4 gas burners, an electric oven, microwave, kettle and fridge freezer. Moka coffee machines are provided along with cutlery and crockery. The dining area has a table for eight whilst there is also a sofa and sideboard in the living area. There are three bedrooms in this Ceglie Messapica villa, all with their own bathroom. The first of these has a mezzanine level where you will find a kingsize bed. The wardrobe space and bathroom sits below this. The second bedroom is accessed from the outside of the property and also has a kingsize bed. The ensuite bathroom for this property has a bathtub with shower. The third bedroom is accessible only by going through one of the other two bedrooms. It is furnished with bunk beds. All bedrooms are equipped with air conditioning units. Furnishings throughout this Ceglie Messapica villa are simple but tasteful with exposed stonework, cream coloured concrete floors, exposed pipework and much use of natural materials such as wood. Outside, you'll find a private salt water swimming pool (10 x 4 metres and from 0.5 to 1.7 metres deep) at this Ceglie Messapica villa. Four sun loungers and two deckchairs are arranged at one end on a terrace. There is also an outdoor shower. For those who like to eat outdoors, there is also a wood fired oven with BBQ and an outdoor sink. A large polished concrete table provides the perfect place to sit and enjoy each others company into the night with seating for up to 12 guests. The whole property is surrounded by dry stone walls and plenty of parking is provided.

This 3 bedroom Puglia villa is situated in Ceglie Messapica, in the Pineto Ulmo reserve. Here you'll find excellent cycling and walking paths within the pinewood forests and amid the Maquis shrubland that is typical of the Mediterranean region. Please note that access to this Ceglie Messapica villa is about 300 metres along an unpaved dirt road. The nearest restaurant is 4 km away whilst it's just under 8 kilometres to the centre of Ceglie Messapica itself.
