Trullo Coco is a luxurious, interior designed 4 bedroom holiday home with amazing outside space to enjoy and with stunning views over the Puglia countryside. It is a truly unique, high end property.

This is the most phenomenal place to stay! Set above rows and vines and olive groves, the setting is idyllic and the property is just as impressive. The property has 4 bedrooms in total, 2 of which are in the main trullo whilst the other is within a bedroom suite on other side of the pool and the final room is below the pool itself. As you enter the main trullo, you come into a circular room. This is a striking space with butterflies adorning the walls in a stunning piece of artwork. There is comfortable seating. Moving through, you come into the kitchen. This is a professional style kitchen with stainless steel units. A large square central island houses the hob and dishwasher whilst wall units house an oven, double sink and built in microwave. A black fridge freezer blends into the decor. Bar stools are arranged around the island making it a friendly space to work. Doors lead through from here to a double bedroom and, in turn, from here mirrored doors lead into an ensuite bathroom. The calm white of the walls contrasts with the bright accent colours of red, yellow, green and purple giving it a relaxing but vibrant feel. On the other side of the kitchen is a living room with contemporary wall lighting and TV. There is also a second bedroom in the trullo with four poster bed and striking green headboard. This has a large ensuite bathroom too with a modern shower with mood lighting as well as bidet, sink and toilet. Hidden doors lead from the ensuite to a laundry room equipped with sink and washing machine. A third bathroom leads from the living area. This is actually within a separate trullo but the owner has cleverly connected the buildings using glass so that it almost feels like you are showing outside. It is an incredible room! It is clear that this property has been designed by an architect and furnished by an interior designer. The end result is truly unique and it almost feels that you are staying in a work of art rather than a holiday home. The suite by the pool is just as impressive. Access is across a glass floor and once inside guests are treated to the most incredible views due to a large floor to ceiling window. Bamboo has been planted to soften the exterior and it gives the impression of being immersed in nature. The bathroom is just outside, screened from the pool for privacy. How better to enjoy your morning shower than in the fresh air... Please note that this room does have air conditioning as does the fourth bedroom which is situated below the terrace. Outside, there is a large area with wooden decking on which is a jacuzzi. With mood lighting at night, this is a great place to sit and laze away the day or night enjoying the wonderful views. Adjacent to this is a stone terrace surrounded a stunning infinity swimming pool. A mirrored wall at the end gives a contemporary, designer look to this area. A terrace adjacent to the trullo has a table and chairs but there is also a second long table just below the pool area. Loungers are provided. There is plenty of parking above the property.

Useful to Know

The pool is open from 1 May to 30 September each year. Please note that for arrivals after 9 p.m. there is a charge of 30 euros. A 1000 euro security deposit is payable locally on arrival but is returned in full after your departure upon the property being left in satisfactory condition.
