Trulli Lanna is a beautiful 3 bedroom trulli near Ceglie Messapica set in over 10,000 square metres of olive groves. It has been renovated to a high standard and is close to Ostuni, Martina Franca, Carovigno and the Torre Guaceto, a stunning nature reserve.

The property is split into 3 separate buildings. The main trullo consists of a beautiful open plan living, dining and kitchen area, double bedroom with four poster bed and modern shower room with separate WC. The living area is simply stunning with original Stella ceilings and original stone flooring creating an incredible stylish space. The contemporary furnishings contrast with the character of the stone walls and the result is a relaxing and welcoming space to relax. The kitchen is well equipped and features a central island. A dining table has 6 stylish chairs and there is also comfortable sofa seating. All in all, it's the perfect hub for a family to relax and enjoy each others company. The double bedroom in this part of the property is spacious, decorated in neutral tones to prepare you for a good nights sleep. Doors in this room look out towards the pool and lead directly from the bedroom to the outside. The second and third bedroom suites are housed in separate buildings. Both are stylish and welcoming and both include a bedroom with ensuite bathroom. The second bedroom suite again has original stone flooring. The 3rd bedroom suite has beautiful barreled ceilings with an old stone fireplace making a focal point in the bedroom. It's the ideal layout for 3 couples travelling together or for those looking to travel together but still enjoy some privacy however the layout may not work well for those with young children. Outside, there is an outdoor pool and shower, hidden behind an old olive tree. There are plenty of different areas to choose from in which to relax and enjoy the peace and tranquility of this setting. There is also a vegetable garden and guests are very welcome to help themselves to any fresh fruit and vegetables during their stay.
