This is a stunning, contemporary apartment in Central Florence, restored in 2014 and furnished to the very highest standard. Located in the heart of the San Lorenzo district, it's an ideal base from which to explore this beautiful city.

The property is located on the second floor of the building. It's location is particularly quiet given it's central location due to the fact that all windows open out onto a lovely internal garden / courtyard area. Guests can enjoy sitting on the private balcony of the property which overlooks this courtyard and enjoys lovely views of the Cappelle Medici Dome. The apartment has a lovely open plan living and dining area, the perfect spot to relax after a day sightseeing. A modern, well equipped kitchen leads off this room. The apartment has 2 bedrooms, one with double bed and the other with twin beds. The master bedroom also boasts an ensuite bathroom. There are 2 additional bathrooms in the property. There is also a sofa bed in the living area, allowing the property to accommodate 6 guests in total.

All the main sights and attractions of Central Florence are within walking distance so a car is not necessary.
