This beautiful luxury Ostuni villa is situated just a couple of kilometres outside the famous 'white city' of Ostuni. Recently built on the foundations of an old masseria, it provides luxurious and elegant accommodation for up to 9 guests. Surrounded by olive trees and set in gardens measuring approximately one acre, guests enjoy complete privacy at this luxury Ostuni villa whilst still being close to some of Puglia's best beaches.

Inside, this luxury Ostuni villa has five comfortable bedrooms. The living space is arranged over two floors. On the ground floor, there is a large, well equipped kitchen with adjacent dining area. The kitchen has an induction hob, oven, microwave, fridge freezer, Nespresso coffee machine and dishwasher. There are also two bedrooms on this floor, both with ensuite bathrooms as well as a generous sized and welcoming entrance hall. The first of these rooms has a large double bed (170 cm by 200 cm) however the second bedroom on this floor has a small double bed (140 cm x 200 cm). A flight of stairs takes guests down to the lower level of this luxury Ostuni villa where there are three further bedrooms (all with large double beds), another bathroom and a spacious living room. Outside, two terraces both enjoy wonderful views of nearby Ostuni. A small footpath leads from one of the terraces to a large private heated swimming pool (15 metres x 6 metres) open from Easter to October each year. Much of the rest of the garden is laid with lawns. Please note that the pool is heated to 28 degrees and costs 300 euros per week. The garden is extremely child friendly and the owners have gone out of their way to welcome little ones to this luxury Ostuni villa. There is a wooden play area in the garden as well as a play house.

Ostuni is just a few minutes drive from this luxury Ostuni villa whilst the beautiful white sandy beaches of Marina di Ostuni and Torre Canne are just 7 km away. For those who like eating out, there is a restaurant conveniently situated just 700 metres away and within easy walking distance. The location of this luxury Ostuni villa also means that guests are treated to some absolutely fantastic views of Ostuni from the gardens as well as from some rooms of the villa.
