Ca Ginestra is a lovely 3 bedroom villa in Marche overlooking the beautiful landscape of Cartoceto, famous for its olive oil. The setting is quiet and peaceful.

On the ground floor, there is a living room, kitchen and master bedroom with ensuite shower room. On the first floor are two further bedrooms (one double and one twin room) as well as a bathroom with shower. Doors from this floor also lead to a large terrace. Outside, the property is surrounded by extensive gardens. There is a small swimming pool (4 x 4 metres) to cool off from the heat of the midday Sun.

The villa is close to a number of beautiful towns worth exploring, among them Castello di Mombaroccio and Serrungarina. The Museum of the Balì is definitely worth a visit if you have children. The beaches and the city of Pesaro and Fano can be reached in just over half an hour.

Useful to Know

Please note that the property is accessed via a steep, unpaved road. This road is approximately 2 km long and is unpaved and winding. We therefore recommend that you bring a SUV or suitable off-road vehicle.
