Start date	End date	Per Night	
07 Jan 2024	31 Dec 2025	280	EUR

Casa Granaio (2) is a cosy, ground floor, two bedroom Castellina in Chianti apartment set within a Tuscan medieval village. Tastefully furnished in a country style, it is ideal for a group of three or four people or for a family with children, it's a lovely base for your holiday in Tuscany, Italy. An outdoor table and chairs complete with parasol on the private terrace overlooking the pool creates the perfect setting for al fresco dining.

Inside, this Castellina in Chianti apartment has a warm, cosy feel. There is a living area leading through to a small, but well equipped, kitchen with table and chairs for four. There are two bedrooms. One is arranged as a double and the other a single. However an additional bed can be put in this room to create a twin room if required. There is also a bathroom. Outside at this Castellina in Chianti apartment, there is a panoramic terrace overlooking the infinity pool and the vineyards that belong to the estate.

The apartment is located just 5 minutes from Castellina in Chianti where there is a good selection of shops and supermarkets. It is also easy to access Italy's public transport network from here allowing you to easily reach Tuscany's main towns and cities such as Florence, Siena, Arezzo, Pisa, Montepulciano and Montalcino. For those who want the freedom that self catering accommodation offers but who also want some of the perks that hotels offer, it's important to note that breakfast can be provided within the lovely breakfast room within the village at a rate of 12 euros per person per day. We can also provide a 'chef chez toi' service where a qualified chef will come to your villa and serve dinner in the comfort and privacy of your villa. Cookery courses, wine and olive oil tastings can also be arranged on request at this Castellina in Chianti apartment. Please ask for further information. Please note: This Castellina in Chianti apartment is located within easy reach of the car park and, with a bathroom with disabled access, could be suitable for those with mobility problems.
