This is a fabulous Tuscany castle available to rent for holidays and special events. Sleeping between 15 and 20 people, it boasts 11 bedrooms and 9 bathrooms. This unique Tuscany villa rental is set on a hillside overlooking the River Pesa valley. It is just 15 minutes from Florence and enjoys great views over the countryside below. Outside, there is a stunning swimming pool whilst inside, the interior is rather magical.

Originally a Medieval feudal castle, this Tuscany castle was converted to a villa between 1450 and 1500. As you would expect, it is steeped in history and is a fascinating place to spend a holiday in this wonderful part of Tuscany. The property is divided into two main sections - The Conventino and Torre - with a large central hall between the two. Within the Conventino of this Tuscany castle, there is a master bedroom suite with both living area and ensuite bathrooms. In addition, there are five further double bedrooms and two single bedrooms in this part of the property. Three of the double bedrooms also have their own ensuite bathrooms whilst the remaining bedrooms share two bathrooms between them. There is a small living room in this part of the villa. Across in the Torre of this Tuscany castle, there is an entrance hall, dining room with wonderful fireplace, kitchen, utility room, large living area and loggia facing the swimming pool. There is also a second master bedroom suite with private bathroom as well as another double bedroom with ensuite bathroom. These two bedrooms share a living area. Please note that this Tuscany castle tends to stay cool inside thanks to its incredibly thick walls. However, portable air conditioning units are installed in eight of the bedrooms for guests that wish to use air conditioning during their stay. Please note that rental rates are for groups of up to 15 people. Additional guests are charged at 50 euros per person per day up to a maximum of 20 people. Cleaning can be provided at a charge of 18 euros per hour. Extra services can also be provided including the preparation of breakfast or lunch (140 euros for up to 15 people) and the preparation of a 4 course meal (370 euros for up to 15 people). Rates exclude the actual costs of the food and drink. We can also offer a waitress service and ironing service. Utilities are included in the price (water, gas, electricity). Pool maintenance, linen change, towels and final cleaning are also included. Please note that a local tourist tax of 3 euros per person per night is payable locally on arrival in cash.

Guests staying at this Tuscany castle will find that they are ideally placed to explore the wider Tuscan region. The villa is just 15 km from Florence and 45 km from Siena. The nearest village is Bargino which is just 1.5 kilometres away. If you enjoy wine, the Antinori wine cellars are just 2 km away from the property. The beach is 80km away and the nearest golf club just 20 km away. For those who like to be active, tennis courts are available 5 km from the villa and horse riding just 0.5 km away.

Useful to Know

We think that this Tuscany castle is a magical place to stay. Italy is filled with historic buildings but it's rare that guests are able to actually stay in one. This castle boasts enormous rooms with high ceilings and authentic furnishings in keeping with the age of the property making it a phenomenal space to mark a special occasion, be that a wedding, an anniversary or birthday. If you want to experience how it must feel to live like royalty, this is the place for you!
