This 5 bedroom Marsala villa rental can comfortably accommodate up to 12 guests. It is situated just a few kilometres from the very heart of Marsala and within easy reach of the beach. The location offers the best of both worlds - a combination of the peace and quiet of the rural countryside with the ease of being close to both the coast and a town with all the amenities that it offers. It's ideally placed for those looking to explore Sicily but, with a private pool and gardens to enjoy, it's also ideal for those looking to just relax too.

The interior decor of this Marsala villa rental is modern and contemporary in style. The accommodation is arranged over two floors. On the ground floor, there is a large living area. A TV with Netflix channels is available for guests enjoyment. There is also a dining area and a fully equipped kitchen. There are also four bedrooms on this floor of this Marsala villa rental. All have ensuite bathrooms. Two of these have hydromassage showers and two have hydromassage bath tubs. All rooms are fully air conditioned and all have wall mounted flat screen TVs. Two of the bedrooms also have single sofa beds to accommodate extra guests if required. On the first floor is a large bedroom with ensuite bathroom equipped with hydromassage shower. Doors lead out from this room to a panoramic terrace with incredible views overlooking the garden and across to the Sicilian coastline beyond. Outside, there is a good sized Mediterranean style garden at this Marsala villa rental. At the heart of this sits a private, saltwater, infinity edge swimming pool (5 x 10 metres). This has a hydromassage area within it and comes equipped with a self-cleaning robot. Plenty of sun loungers and bean bag chairs are provided along with parasols to provide shade when needed. The villa and its garden enjoys fantastic views all the way to the sea. Some incredible sun sets can be viewed from its terraces and outdoor seating areas. Please note that, when applicable, heating costs are a separate fee. Please ask for more details on costs of this.

For those keen to explore Sicily, Agrigento and its ancient ruins are just a short drive away, as is Trapani. We also recommend visitors enjoy day trips to Favignana and the other Aegadian Islands which sit off mainland Sicily. Ferries depart regularly to the islands from both Trapani and Marsala.
