This 5 bedroom Puglia villa provides fantastic accommodation for your Puglia holiday. Situated just a few minutes from the beach in Puglia, it is perfectly placed to allow you to explore the very best that Puglia has to offer.

The decor inside this 5 bedroom Puglia villa is rather stylish. We love the way that the owners have used a neutral colour scheme but added occasional dashes of colour to add real warmth and character. Features such as barrel ceilings also add further charm. As you enter this 5 bedroom Puglia villa, you will come into a living area. This is a spacious area with relaxation corner, a TV corner and two fireplaces. To one side of this room sits the well equipped kitchen. A dining table sits in the centre seating up to 12 guests. Doors lead from the kitchen to the garden. All five bedrooms boast ensuite bathrooms. Whilst they can all be accessed internally, all five bedrooms also enjoy direct access to the garden. Each has a covered terrace furnished with brightly coloured bistro tables and chairs. Each bedroom has its own character. The master bedroom is furnished with a large double bed. It also has a relaxation area and small kitchenette, perfect if you need an early morning cup of coffee without disturbing any other guests! There are also two further bedrooms, both furnished with large double beds. In addition, this 5 bedroom Puglia villa has a service bathroom and laundry room where you will find a washing machine. Outside, guests staying at this 5 bedroom Puglia villa have plenty of space in which to relax with family and friends. A swimming pool (10 x 4 metres) is for the exclusive use of guests. Ten sun loungers are provided on which to relax, whilst a short distance from the pool you will find the outdoor bathrooms with showers. An outdoor dining table sits on a large terrace, perfect for al fresco dining whilst there is also a built in BBQ area and wood burning oven. The garden is large and there are also numerous other relaxation areas furnished with comfortable seats and sofas. For those celebrating a special occasion, it's the perfect setting from which to host an event. Please note that there is also a professional kitchen on site. This is normally closed but it can be opened and made available for you to use should you be having an event or a private chef service.

The nearest town is Pezze Di Greco which is just over 3 km away. Here you will find shops and restaurants.
