Villa Nicola is a newly constructed Ostuni villa rental, furnished in a modern contemporary style and equipped to a high standard and within walking distance of the outskirts of Ostuni. Whilst outside the exterior appears traditional in design, everything is brand new thereby combining the best of both worlds!

This Ostuni villa rental is hidden behind secure electric entrance gates and as you drive in, you can not fail to be impressed by the setting. The outside space is stunning. There is a large terrace with contemporary 'wood effect' tiles that sits alongside beautifully kept lawns. Perfectly presented flower beds line the pool area and there are mature olive trees cleverly lit at night. For al fresco dining, a stone table and benches are positioned under a large covered pergola. And for those that enjoy cooking, guests are welcome to help themselves to the fresh seasonal produce in the garden's vegetable patch. The large private swimming pool has steps leading into it and also incorporates an area with hydro-jets so that guests to enjoy a relaxing jacuzzi. Inside this Ostuni villa rental, there is a cosy living area with sofa, working fireplace and wall mounted TV. A dining table with contrasting cream and grey chairs seats six comfortably. To the left of this room is a modern kitchen with sleek wall units. It has been extremely well equipped with Hotpoint fridge / freezer, microwave, oven, dishwasher, coffee machine and kettle. A beautiful wooden shelf provides useful work and storage space. To the right of the living area of this Ostuni villa rental, there is a hallway. All three bedrooms lead off this hall. The first room on the left is a good-sized bathroom with WC, sink, bidet and shower (with both handheld shower attachment and large overhead shower unit). A beautiful bedroom with white vaulted ceilings sits opposite this room. This bedroom has a large white double bed, two fitted wardrobes and side tables. It also boasts a small ensuite shower room. As you move towards the end of the hallway, there is another double bedroom with plenty of wardrobe space as well as a twin bedroom. A bedside table separates the two single beds in this room and, again, there is a wardrobe for clothes storage. This Ostuni villa rental has grey polished concrete floors throughout and the overall feel is contemporary and stylish. There is underfloor heating throughout for those staying in the Winter months whilst for those staying in the hotter Summer months, the property is equipped with a modern cooling system.

This Ostuni villa rental is set in a quiet residential area however, whilst there are other villas in the vicinity, guests should not be overlooked as the property sits in a slightly elevated position. The gravel driveway has ample parking for three cars. The property is situated just a short distance from Ostuni. Known as the 'White City', Ostuni is a lively town with an excellent range of shops, restaurants and bars. The villa is also perfectly placed to explore the Valle d'Itria and its towns including Alberobello, Cisternino and Locorotondo. We would also recommend driving North to explore the caves at Castellana and the

seaside town of Polignano a Mare. Of course, it's also an easy drive down to the South of Puglia from here too where you can visit Otranto and Lecce.

Useful to Know

This Ostuni villa rental is the best of both worlds... a modern construction of a classic trullo design, offering an authentic place to stay but with all the creature comforts of the 21st century. The outside area is stunning. We think the table positioned under the covered pergola is the perfect place to chat with friends and family into the early hours!
