This is a lovely 2 bedroom trullo in Puglia enjoying sea views and large private swimming pool. It's in a great location for those who are looking for a bit of peace and quiet but who want to be within easy access of nearby towns.

Inside the property has 2 bedrooms, both with ensuite facilities, making it an ideal solution for two couples travelling together or for a small family. The master bedroom has a stunning four poster bed and enjoys plenty of natural light, whilst the second bedroom is furnished with a simpler double bed. Both bedrooms have air conditioning. The kitchen is small but fully functional and equipped with everything you should need including kettle, toaster, dishwasher and coffee machine. There is also a lovely living area with comfortable sofa as well as dining table and chairs. There is a wall mounted TV. Please note that the second bedroom is located in a separate building and so may not be suited to all families, dependent on the age of the children. However, if required, there is a sofa in the living area connected to the master bedroom suite which can be made into a bed allowing a child to sleep in the same building as their parents. The property is furnished in keeping with the style of the region. Nooks and crannies are filled with ornaments reflecting the local stone and pottery industry adding real character. Outside, there is plenty of outdoor space to relax in the Summer sunshine and, of course, you have a private pool to enjoy.

For those that can drag themselves away from this stunning property, the nearest beaches are only 12 km away and the nearest restaurant for those who enjoy dining out is just 5 km away. The property is also situated just a few miles from Ostuni. Known as the 'White City', Ostuni is a lively town with an excellent range of shops, restaurants and bars. The villa is also perfectly placed to explore the Valle d'Itria and its towns including Alberobello, Cisternino and Locorotondo. We would also recommend driving North to explore the caves at Castellana and the seaside town of Polignano a Mare. Of course, it's also an easy drive down to the South of Puglia from here too where you can visit Otranto and Lecce.

Useful to Know

We love the authenticity of this property and its great outdoor space. We think it's a lovely option for a small family as you're so close to so many great family friendly activities including the famous Zoo Safari at Fasano.
