Villa Ama is a stunning luxury villa in Emilia Romagna, set in acres of olive groves and vineyards and with over 10 acres of private gardens to enjoy. Guests have a private infinity swimming pool to enjoy measuring 100 square metres. Not only that, there is also a hot tub too and a beautiful terrace with views over the surrounding hills.

Inside, this luxury villa in Emilia Romagna is set over two floors. The interiors have a timeless elegance to them, combining both classic and modern design elements. On the ground floor, guests will discover two comfortable double bedrooms, each with private bathroom. There is also a separate WC. The large living room is light and airy thanks to its vast windows. Doors lead directly from here to the garden. Also on this floor is a spacious conservatory measuring over 40 square metres. This is a delightful area which truly brings the outdoors in. Doors once again lead from this room directly out to the garden. Finally, there is a well equipped kitchen on the ground floor too. An impressive staircase takes guests to the first floor of the property. Here, there is a second living area and three further bedrooms, all with ensuite bathrooms. The master bedroom has a rather unique feature - a walk in shower which connects this room with the adjoining ensuite bathroom. The floors are cleverly connected via a beautiful two storey library designed by local craftsmen. This luxury villa in Emilia Romagna sits within an estate where there are five other villas as well as some hotel rooms. Each enjoys complete privacy. This location has some real benefits though. It means that guests enjoy all the benefits of a self catered villa with all the luxuries of a hotel. For example, as well as your own private pool, guests receive complimentary half day access to the other resort pools on site as well as 3 hours access to the on site spa. Whilst guests have a fully equipped kitchen in the property, there are two restaurants and a trattoria on site which guests are welcome to enjoy. The food at each is exceptional, making the most of the delicious, fresh produce grown within the estate. There is also a stylish bar within the main house on the estate and a wine cellar should guests wish to enjoy a wine tasting during their stay. Please note that, should guests wish, there is an option to stay on a bed and breakfast board for a small additional fee. Please ask for more details.
