Villa Arigo is a luxury villa in Orvieto, Umbria. It sleeps up to 2 people and is perfect for a couple or single person travelling alone. Furnishings are sumptuous and of the highest standard. The location is ideal. Right in the heart of Orvieto, it's just a short walk from this luxury villa in Orvieto to the duomo.

The luxury villa in Orvieto occupies part of a historic palazzo whose history spans nearly 3000 years. It really does offer the best of both worlds. Guests are in the heart of Orvieto where everything is within easy reach on foot. But this luxury villa in Orvieto also has the most wonderful gardens. These provide a haven of peace and tranquility to return to after a day spent sightseeing. Outdoor furniture is provided allowing guests to dine al fresco or simply relax outdoors with a glass of wine. There is also an additional roof terrace which we can highly recommend for a sunset aperitivo! When you arrive, you will be welcomed in the historic salon of the palazzo, a beautiful space exquisitely furnished and decorated. An elevator will take you from here to the entrance of your accommodation. The open plan living, dining and kitchen area in this luxury villa in Orvieto is spacious and inviting. To one side there is a large and comfortable corner sofa. To the other side is a well equipped kitchen complete with breakfast bar seating four. It is well equipped with an oven, induction hob and fridge. There is also an American and Italian coffee machine. The space feels contemporary with modern artworks adorning the walls. The property also has a bedroom and a bathroom with shower. The bed linen is of the highest quality as you'd expect from a luxury villa in Orvieto. Egyptian cotton sheets have been hand sewn and embroidered locally in Orvieto. Curtains and cushions have been made using silk and linen fabrics not from Italy but also imported from England and France. Bathrobes and slippers are provided. The room cleverly combines contemporary design with some beautiful antique pieces making a really unique space. Guests also enjoy use of a fully equipped communal gym, outdoor jacuzzi and sauna. A concierge service is also provided free of charge. The owners have designed the space to ensure that guests could want for nothing. To ensure your stay is practical as well as luxurious, a washing machine and dryer has been provided in your luxury villa in Orvieto. However, should you prefer someone else to do the washing, we can provide a laundry service too. Please note that a daily housekeeping service is also provided free of charge during your stay. This luxury villa in Orvieto offers charming views over the garden below, as well as views of a nearby 1000 year old church and the ancient rooftops of Orvieto.

Villa Arrigo can be found at the very heart of the historic centre of Orvieto, just a 4 minute walk from the Duomo. There are plenty of restaurants, shops, cafes, bars and historical sites within easy reach on foot.

Useful to Know

The owners have gone out of their way to ensure that every guests stay is as luxurious and enjoyable as possible at this luxury villa in Orvieto. Villa Arrigo genuinely does provide the best of both worlds - all the privacy and comfort of a self catering luxury villa in Orvieto but with all the added luxuries of a hotel stay. For example, there is a daily complimentary breakfast service along with a daily turn down service too should you want it. And all guests will be treated to a free bottle of wine on arrival too. Not only that but guests will also receive a complimentary copy of 'Piera', a novel written by the mother of the owner. The book is fascinating and describes her survival and love story during World War II in both Italy and Greece. Should guests wish, the owners would also be delighted to organise an accompanied walking tour either along all or part of the 5 kilometre long Anello della Rupe path, or within Orvieto itself. For those staying for a week or more, you will also be welcome to enjoy a complimentary dinner at this luxury villa in Orvieto too.
