Villa Corinne is a stunning contemporary villa, beautifully furnished to a high standard and enjoying exquisite outdoor pool and gardens. It is immaculately presented and offers guests a wonderful base for a stay in this beautiful area of Italy. It sleeps up to 6 guests in 3 double bedrooms.

The interior of this property is stunning. As you enter the property, you come into a large open plan living, dining and kitchen area. The kitchen is an amazing space. A table naturally follows on from the long central worktop on which is positioned a 5 ring gas hob. The kitchen also boasts an oven, built in microwave, dishwasher, toaster and large fridge / freezer. Grey units contrast with the brightly coloured seating and red lighting which hangs down over the work surface. The living area has two maroon coloured sofas facing each other as well as comfortable armchairs. Wall shelves hold plenty of interesting books. Please note that the property does not have a TV. The bedrooms and bathrooms are positioned along the corridor situated to the left of this living space. Each bedroom is similarly furnished but with different accent colours to distinguish one from another. There are mosquito nets above all the beds. Each bedroom has it's own shower room. Doors slide back from the kitchen and living area to a beautiful terrace area which looks down over the pool. This has polished concrete floors and is furnished with both dining table and chairs as well as more relaxed sofa seating. There is a BBQ for al fresco dining. For those travelling with children, guests have the reassurance that the pool area is fully fenced and gated. It is a gorgeous area with a shallow area at one end, ideal for little ones. It is surrounded by a spacious stone terrace and beautiful planting. Two mature olive trees beautifully contrast against the contemporary metal pergola which is positioned at one end of the pool area providing shade. The rest of the gardens are landscaped. A table tennis table is provided.

There are contemporary electric metal gates allowing access to the grounds of the estate. The design of these gates mirrors the gates and pergola at the pool area. There is plenty of parking on site for several cars. The house is situated a no through road so the location is quiet and peaceful. White gravel paths lead from the parking area to the villa and pool. The property is just a short drive from Ostuni and just 3 km from the nearest bar and restaurant. It's also only 7 km drive to the nearest beaches.
