This large Puglia villa rental sits on the green hills just outside Ostuni in the heart of the Itria Valley. The villa was originally built back in 1872 but has recently undergone a complete renovation. Now this large Puglia villa rental offers all the advantages of a stunning stately home with all the 21st mod cons people could wish for.

This large Puglia villa rental is available exclusively for groups of up to 10 guests. The owners have used a neutral colour palette throughout much of the villa but have thrown in pops of colour to add real character to the house. We love the greens and yellows in particular. On the ground floor, there is a well equipped kitchen. There is an oven, dishwasher, Italian coffee machine, microwave and hob. Doors lead from this room directly to the garden. Also on this floor of this large Puglia villa rental is a dining room with large table seating up to 10 guests. Again, this room also enjoys direct access to the outside. All five bedrooms have ensuite bathrooms with showers. All are spacious, calm spaces. All have large double beds and two of the bedrooms also have a mezzanine level. Some boast walk in wardrobes and all have plenty of storage for clothes. However, we think the icing on the cake is the indoor pool that this large Puglia villa rental boasts. It's fantastic for those staying in the cooler months of the year. Outside, there is a private swimming pool which sits overlooking the surrounding countryside. This measures 4 x 10 metres and has a depth of 1.5 metres. There is also a small private wood. Ten sun loungers are provided and there is a large terrace around the pool where guests can enjoy the sunshine. There is also a charming covered al fresco dining area with large stone table.

It's just under 6 km from this large Puglia villa rental to Ostuni where you will find the nearest shops and restaurants. It's 9.5 km to the nearest railway station here. The coast is just 14 km away.
