Villa Macrame is a Puglia holiday rental with pool comfortably sleeping up to six guests. The villa is located not far from the coast in Speziale di Fasano. It's a particularly great set up for up to three couples travelling together.

Accessed via an unpaved country road bordered by enchanting dry stone walls, the setting is quiet and peaceful. This Puglia holiday rental with pool is actually made up of three adjacent buildings - a lamia and two casolari.- hidden amongst ancient olive trees. The buildings would once have been shelters for farmers and labourers who worked the surrounding land but they have been transformed into a stylish Puglia villa rental. The colours chosen are intentional, deriving from the earth: oxide reds, the green of the olive leaves and the brown of the carob trunks. Inside this Puglia holiday rental with pool, visitors first enter into the well equipped kitchen and living room. Furnishings are tasteful but simple. There are then three bedrooms. One has an ensuite bathroom whilst the other two share a bathroom. The latter has a unique outside shower, truly bringing the outside in whilst the ensuite bathroom enjoys French windows, providing access to another beautiful outdoor stone shower. There is also a separate WC. At the rear of this Puglia holiday rental with pool, there is a large terrace with two semi circular stone sofas providing a stylish seating area. A large stone table nearby is perfect for al fresco dining, making the most of the built in BBQ facilities. The private swimming pool (10 x 4 metres and 1.5 metre depth) is within sight of the terrace area. There is an external shower here too and plenty of loungers for long, lazy days in the sunshine.

The nearest shops and restaurants are 1.6 km away in Pozzo Guacito.
