Villa Nova is a fantastic Siena villa rental. It originally dates back to the 9th century and is located a short distance from the town of Villa La Sesta in the Siena region. Completely restored, it now cleverly combines the very best of traditional design with modern elegance. It is set within grounds of over 2500 acres, much of which is set aside for vineyards, planted with Sangiovese grapes to make Chianti Classico wines.

The inside of this Siena villa rental has many features typical of the architecture of this region including cotto flooring, wooden beams and thick stone walls. On the ground floor of this Siena villa rental, there is a fully equipped professional kitchen, a small living room and a WC. There are also three double bedrooms on this floor, all boasting ensuite bathrooms. All the bedrooms are equipped with a TV and are fully air conditioned. The first floor of this Siena villa rental is home to a large living area. A feature window makes the most of the incredible panoramic views. There are also four further bedrooms on this floor, again with ensuite bathrooms. The final bedroom in this Siena villa rental is in a separate dependance that sits to the front of the villa. This has a bright and airy dining room which, like the living area in the main house, has a wonderful feature window. There is also a second, smaller kitchen here and a double bedroom with ensuite bathroom. Outside, there is an infinity swimming pool (18 x 6 metres and with a depth between 90 cm and 1 metre 90 cm). The pool also includes a heated hydromassage area. For those that enjoy eating al fresco, there is a BBQ and pizza oven as well as a fantastic outdoor seating area. Please note that there are some additional fees to be payable locally. Both heating and air conditioning are payable on departure based on consumption whilst local taxes of 2 euros per person per day are also payable locally on arrival in cash. There is also a final cleaning fee of 500 euros payable locally on arrival at check in.

This Siena villa rental is situated 5 km or a 7 minute drive from the nearest shops and restaurants at Castelnuovo Berardenga. It is a great location for those looking to enjoy some sightseeing in Tuscany. Montepulciano is approximately 50 minutes away by car, Siena just 30 minutes, Montalcino and Arezzo are 60 minutes away, San Gimignano 70 minutes and Volterra 80 minutes. The nearest airports are at Pisa or Florence, both of which are 2 hours by car.
